

September 22, 2009

Dear Natick Green Resident(s),

You may notice that the current red parking sticker on your registered vehicle is due to expire October 2009. The Board of Trustees at a recent meeting voted to extend the current red parking stickers by one more year, expiring in October 2010, therefore please ignore the expiration date on the red stickers. Smitty's Towing will be updated on this extension.

New Yellow stickers will be ordered in the beginning of the year and will be available as early as May 2010 for residents to pick up. Residents will be responsible to submit a copy of their updated vehicle registration between the months of May 2010 and October 2010 to obtain a new yellow parking sticker for their vehicle. We ask that once you obtain a new yellow parking sticker you remove all old ones (red and green from prior years). Smitty's Towing will be advised to only look for yellow stickers after October 2010.

We apologize for the inconvenience but have seen a positive result from the parking sticker program. By changing the color periodically, Natick Green has more accurate records from the residents. Plus it deters prior residents still having a sticker on their vehicle from parking on the property, as they will not be part of this updating, causing more available parking spaces for current residents to use.

Please refer to the Natick Green Rules and Regulations for the complete listing of "Rule 14 Parking" or contact the Management Office at (508) 655-5800 with any questions.

Thank you for your attention and anticipated cooperation.

Very truly yours,

Jennifer Saponaro, CMCA®  
Property Manager  
Natick Green Condominium Trust
